Dear Parent/Guardian,

The Roanoke City and Alleghany Health Departments will offer vaccination opportunities for children in need of immunizations required for school attendance. Please find the schedule attached.

Please contact your local health department office at one of the numbers listed to schedule an appointment or to get more information.

All children must be accompanied by an adult and have an up-to-date vaccination record with them. Please bring any insurance cards for your child(ren). Vaccines required for school attendance are available at no cost to you.

Sincerely,
